

Following our correspondence, I would like to elaborate about Melingo Ltd, a subsidiary of Britannica Encyclopedia, and its products.

Melingo's institutional customers include Stanford University, Yeshiva University, Yale University, University of California – Berkley, The Academy of the Hebrew Language, Tel-Aviv University, Bar-Ilan University, The Open University of Israel, Maariv, Globes, Channel 2 news, Channel 10 news, Golden pages and many others.

"Rav Milim" website at <http://www.ravmilim.co.il> is the most extensive and up-to-date Hebrew dictionary. Beside the full contents of "Rav-Milim" dictionary, the site includes a full bi-directional English-Hebrew, Hebrew-English dictionary, the most extensive Hebrew Thesaurus, a dictionary of idioms and phrases, an automatic rhyming dictionary, a full and accurate grammatical analysis of any entry and much more.

Melingo also has the "Nakdan", automatic Hebrew text punctuation software that automates Hebrew writing with punctuation.

What customers say about Melingo:

- ✚ "Melingo's Nakdan is used frequently by several teachers on a daily basis and provides us with an excellent service" (a teacher from Tkuma school)
- ✚ "Rav Milim provides the Rabbis, faculty and students with an interactive dictionary, thesaurus, reference solution to enable understanding ancient and modern Hebrew texts" (Jewish Technology Seminary - JTS)
- ✚ "Part of our students can't read well without punctuation. Nakdan helps us extremely with those students" (a teacher in Ilanaot School)
